- R 1. **New Elgin Arms Model Side-by-Side.** Serial #268872. 12-gauge double barrel shotgun with 28” barrels and very good bores choked full and modified. Double triggers and extractor. Metal is good showing some wear and finish loss. Wood is good but has had extra finish added. Butt plate is a replacement. Action works fine. C&R.
- R 2. **Taiyo Juki/Kassnar Model Single Break.** Serial #735. 12-gauge single break shotgun with a 28” barrel choked full and a good bore. 2 ¾” chamber. Metal is very good showing little wear. Wood is good but here is a rough spot on the forearm. Extra finish may have been added. Eternal hammer.
- R 3. **Winchester Model 370.** Serial #C126760. 12-gauge single break shotgun with a 36” barrel with excellent bore. 3” chamber. Action works fine. Metal is good but there is some light rust on the receiver. Wood is good to very good.
- R 4. **Stevens Model Springfield Side-by-Side.** Serial #E42265. 12-gauge side-by-side shotgun with excellent bores and 28” barrels. Chambered in 3”. Metal is average with scattered rust and fading. Receiver maintains a little of its original case color. Wood is very good and appears to have been refinished. The trigger guard and screws are not original. Action works fine. Double triggers and extractor. C&R.
- R 5. **Savage Model Sporter.** Serial #44345. .32-20 bolt action rifle with a 24.75” barrel and slightly dirty bore that should clean to good. Action works fine. Metal has been refinished and is in excellent condition. Adjustable rear sight is original but front blade sight has been added. Wood is average with scratches and finish loss. Gun is missing the butt plate. One detachable magazine included. C&R.
- R 6. **Winchester Model 12.** Serial #330678. 20-gauge pump action shotgun with a 26” barrel choked full. 2 ¾” chamber. Metal is fair with most of the bluing gone from receiver and rear of barrel. Wood is average showing some wear and scratches, Action works fine. Original butt plate. LOP is 13.5” C&R.

- R 7. **Winchester Model 12.** Serial #251446. 12-gauge pump action shotgun with a 28.75" barrel choked full. 2 ¾" chamber. Metal is fair with most of the bluing gone from receiver and rear of barrel. Wood is fair showing some wear, scratches and finish loss. Action works fine. Original butt plate. LOP is 13.5" C&R.
- R 8. **Hi-Standard Model H-D Military.** Serial #234452. .22 LR semi auto pistol with a 6.75" barrel and very good bore. Action works fine. Metal is fair showing considerable wear and finish loss. Wooden grips are average showing wear and rough edges. C&R.
- R 9. **Manuel Escodin Model 1924 Revolver.** Serial #M230052. .32-20 6-shot revolver with a 5" barrel and good bore. Double action works but cylinder does not lock up. Swing-out cylinder. Metal is poor showing discoloration, finish loss, rust and scratches. Wooden grips are fair showing heavy wear. Front sight only. C&R.
- R 10. **Colt Model Army Special.** Serial #432171. .38 Special 6-shot revolver with a 5" barrel and dirty bore that may clean to good. Double action works with a little play in the cylinder. Swing out cylinder. Metal is fair and has turned to a spotted brown patina. Plastic Colt grips are average with some heavy scratches. C&R.
- R 11. **American Gun Company Model Side-by-Side.** Serial #273253. 20-gauge double barrel shotgun with 28" barrels and poor bores. Both barrels choked modified. 2 ¾" chamber. Action works. Double triggers and extractor. Metal is fair with heavy rust. Wood is poor with a split, scratches and extra finish added. Rubber butt plate also added. Includes a soft case and cleaning rod. C&R.
- R 12. **Hunter Arms/LC Smith Model Field Grade.** Serial #162713. 20-gauge double break with 28" barrels and excellent bores. Choked full and modified. 3" chambers. Metal is average with fading and light scattered rust. Some case coloring remains on receiver, Wood is fair with extra finish added and a mis-matched rubber butt pad. Double triggers and extractor. Action works OK. Pistol grip cap is broken. C&R.
- R 13. **Winchester Model 1200.** Serial #110003. 12-gauge pump action shotgun with a 30" barrel choked full and a dirty bore that should clean up. 2 ¾" chamber. Action works. Metal is fair with scratches on the receiver and scattered rust on the barrel. Wood is fair with heavy scratches and finish loss. Ventilated rib. LOP is 13.75". Original rubber butt pad. Includes an extra deer slug barrel covered in rust, measuring 21 ½" with a fair bore and includes front and rear sights.
- R 14. **Winchester Model 70 XTR.** Serial #G1392724. .270 bolt action rifle with a 22" barrel with a good bore. Metal and wood are very good with light handling marks but there is a spot a spot of rust on the barrel's underside. Jeweled bolt. Includes fold down rear sight and front ramp sight. Also includes a Weaver Micro-Trac 2.5X7 scope on see-through mounts, quick release swivels and a leather sling.

- R 15. **Sako Action Model Custom L61R.** Serial #529342. .30-06 bolt action rifle with a 25.5" C.R. Douglas barrel. Very good bore and action. Checkered Monte Carlo stock in very good to excellent condition. Metal is excellent. Gun has no sights but includes scope rings. Boyd's rubber butt pad. Swivel studs.
- R 16. **Springfield Armory Model M1 Garand.** Serial #3342653. .30-06 caliber semi-auto rifle with a 23 3/4" barrel and good bore and action. Metal is good although there is some old pitting in some areas. Wood is generally good. Original front and rear military sights. Original butt plate and swivels. C&R.
- R 17. **Savage/Stevens Model 311A.** Serial #NSN. 12-gauge side-by-side shotgun with 30" barrels and very good bores. Both barrels choked modified with 2.75" chambers. Metal is poor with significant finish loss, rust, streaking and a silver patina. Wood is fair with finish loss, dents and scratches. Double triggers with extractor. C&R.
- R 18. **Remington Model 760BDL Deluxe.** Serial #6905907. .30-06 pump action rifle with a 22" barrel and very good bore and action. Adjustable rear sight and front ramp sight. Metal is good with some edge and slide wear. Wood is average with wear and scratches. Includes a Bushnell Banner 3X8 scope and a leather sling. C&R.
19. **Belgium Model Folding Trigger Pin Fire Revolver.** Serial #NSN. 7mm 6-shot revolver with a 3.25" barrel and a folding trigger. Action works. Metal has been refinished and is very good with some old corrosion. Wooded grips are good but there is a partial crack in one. Antique Firearm.
- R 20. **Belgium Model Top Break.** Serial #9443. .44 6-shot top break revolver with a dirty bore that should clean to very good. Double action seems to work OK. Metal is average with some fading and light rust and appears to have been refinished. Wooden grips are good. Includes a saddle ring. This is a copy of an early Smith & Wesson revolver. Includes a leather holster in good condition. C&R.
- R 21. **Cetme/Century Arms Model Sporter.** Serial #C54429. .308 semi auto tactical rifle with an 18" barrel and muzzle break. Dirty bore should clean to very good. Action is good. Metal is very good. Stock, forearm and pistol grip are synthetic camo. Rotating rear peep sight. Includes 2 magazines and owner's manual.
- R 22. **FEG/G.P. Training Model PA-63.** Serial #BB0977. 9X19 Makarov with a 4" barrel and very good bore and action. Black metal slide in good condition as is the stainless-steel frame. Plastic grips with thumb rest are good but have some chips missing. Includes 2 clips and vintage flap holster.
- R 23. **Ruger Model New Model Single 6.** Serial 268-33455. .22 RF/.22 Mag. single action 6-shot revolver with a 5.75" barrel and excellent bore and action. This is the 50-year anniversary model. Gun is in overall excellent condition with hardwood grips and includes the extra magnum cylinder, gun lock, owner's manual and factory hard case.

- R 24. **Remington Model 1100.** Serial#L049369V. 12-gauge semi-auto shotgun with a 30” barrel choked modified. Excellent bore and action. 2.75” chamber. Wood and metal are good to very good showing some light finish loss. LOP is 14”.
- R 25. **Savage Model 11.** Serial #G397097. .308 Win. bolt action rifle with a 22” barrel and excellent bore and action. Black synthetic stock with rubber butt pad. No sights but has scope locks and rings. Thumb safety. Metal is excellent. Gun appears to have had little use.
- R 26. **Remington Model 710.** Serial #71031915. .270 Win. bolt action rifle with a 22” barrel and excellent bore. Action works fine. No sights. Metal is generally good but has one area of heavy pitting on the barrel. Grey synthetic stock with raised cheek plate and rubber butt pad in good condition. Includes a Bushnell 3x9 scope and a nylon sling on quick release swivels. It also Includes 2 magazines.
- R 27. **Marlin Model 25N.** Serial #99383001. .22 RF bolt action rifle with a 22” barrel and excellent bore and action. Metal is very good showing little wear. Checkered one-piece stock is very good to excellent. Adjustable rear sight with front ramp sight. Grooved for scope. Includes the detachable magazine.
- R 28. **Norinco B-West Model SKS.** Serial # 9132078. 7.62X39 semi auto tactical rifle with a 20.25” barrel with excellent bore. Action works fine. Metal is in good condition showing little wear. Black folding synthetic stock with pistol grip. Adjustable rear sight and front globe sight. Includes the bayonet and a matching military style sling.
- R 29. **Churchill/Kassnar Model Monarch.** Serial #118679. 12-gauge over-under shotgun with 28” barrels, vented rib and very good bores. Choked full and modified with 3” chambers. Single trigger and extractor. Metal is very good showing little wear. Scrolling on receiver. Checkered stock and forearm are very good. Rubber Pachmayr butt pad. LOP is 13.75”
- R 30. **ArmsLite Model M15.** Serial #US340211. 7.62x39 mm semi auto tactical rifle with a 16” barrel and muzzle break. Metal, synthetic stock and forearm are in excellent condition. Stock is adjustable. Front and rear top rails. No sights but includes a Bushnell red dot scope mounted on a rail. PLEASE NOTE this rifle is marked in 2 different calibers: 7.62x39 and 5.56. The correct caliber is 7.62x39. Includes a 10-round magazine and a rubberized nylon sling.
- R 31. **Savage Model 111.** Serial F971898. .223 rem bolt action rifle with a 21” barrel and excellent bore and action. No sights but includes a Simmons 3.9x32 scope. Metal is good but shows an area of heavy wear and some corrosion. Black synthetic stock with rubber butt pad shows normal handling marks. Swivel studs.
- R 32. **Winchester Model 37.** Serial #NSN. 16-gauge single break shotgun with a 28” barrel and excellent bore. Choked full with a 2.75” chamber. Original butt plate. Metal is fair with light rust and has turned to a brown patina. Wood is fair with a split in stock at the wrist, scratches and extra finish added. C&R.

- R 33. **Marlin/Glenfield Model 25.** Serial #25669520. .22RF bolt action rifle with a 22” barrel, good bore and action. Adjustable rear sight and front blade sight. Metal is average with significant fading. Wood is average with finish loss and scratches. Includes the detachable magazine and swivels.
- R 34. **Marlin Model 81-DL.** Serial #NSN. .22 RF bolt action rifle with 24” barrel and a good bore. Action seems okay. Tubular magazine. Metal has turned to a brown patina. There is heavy finish loss and scratches on wood. Front and rear sights but rear sight is missing the elevator. C&R.
- R 35. **Winchester Model 1904.** Serial #NSN. .22RF single shot bolt action rifle with a 21” barrel and average bore. Metal is poor with rust and corrosion and has turned to a patina. Wood is poor with heavy scratches, finish loss and cracks in the stock. Action seems to work okay. C&R.
- R 36. **Colt Model U.S. Army 1901.** Serial #172094. .38 Long Colt revolver with swing-out cylinder. 6” barrel with good bore. Action works but is a little stiff. Metal is fair with heavy finish loss. Wood grips are average showing wear. Includes the lanyard loop. Also included are a leather flap holster marked: “Rock Island Arsenal 1907”, an RIA 1908 ammo pouch marked: “5-F1d ART” with 12 cartridges, 2 boxes of shells and a hard case. C&R
- R 37. **J.P. Sauer and Sohn Model 1913 Pocket Automatic.** Serial #65575. 7.65 mm semi-auto pistol with a 3” barrel and good bore. Appears to be a problem with the action in that it doesn’t cock. Metal is average and is turning to a brown patina with some corrosion. Brown plastic grips are fair with scratches and chips missing. Includes a vintage flap holster. C&R.
- R 38. **DPMS/Panther Arms Model A-15.** Serial #F031744K. 5.56mm/.223 semi-auto tactical rifle with a 16” barrel and muzzle break. Bore is good. Action seems to work okay. Matte black finish on metal is good. Adjustable synthetic stock and forearm are good. Carry handle. Flip-up rear peep sights. -Includes one magazine and soft carry case.
39. **Allen & Wheelock Model Large Frame Pocket Revolver.** Serial #NSN. Appears to be a .34 caliber 5-shot percussion revolver with a 4” barrel. Action sometimes works, Metal is poor with heavy rust. Wooden grips are fair with scratches and finish loss. The only inscription that can be found on the gun is the patent date of 1845. Antique Firearm.
- R 40. **Smith & Wesson Model 22A-1.** Serial #UCD 5306. .22 RF semi-auto pistol with a 5.5” barrel and excellent bore and action. Fiber-optic front sight and adjustable rear sight. Stainless steel slide. Rubber grips. Gun is in overall excellent condition and appears to have been fired very little. Includes the hard case, paperwork and two extra magazines. No trigger-lock.

- R 41. **Remington Model US O3A3**. Serial #3800354. .30-06 bolt action rifle with a 24” barrel and decent bore. Action works fine. Model name has been ground off. Arsenal finish on metal is good. Barrel is marked “RA” and dated 5/43. Wood has been refinished and is in good condition. Cartouche is visible on stock. C&R.
- R 42. **Arisaka Model 99 Short Rifle Last Ditch**. Serial #25883. 7.7 mm bolt action rifle with a 26” barrel and decent bore. Metal is good showing wear and finish loss. Action is okay. Mum has been ground off. Wood has been refinished and is average with scratches and finish loss. Adjustable rear sights and swivels. Bayonet lug. No cleaning rod. Wooden butt plate. C&R.
43. **Springfield Model U.S. 1873 Rifle**. Serial #10137. .45-70 breech loading rifle. Barrel cut down to 15”. Rear sight but no front sight. Metal is fair with scattered rust and corrosion. Wood is fair with scratches and heavy wear. Antique Firearm.
- R 44. **Arisaka Model 99 Short Rifle**. Serial #10898. 7.7 mm bolt action rifle with a 26” barrel and poor bore. Metal is poor showing rust and corrosion and mum has been ground off. Wood is poor with heavy gouges. Action is ok. Rear, non-adjustable peep sight. Metal butt plate. Swivels and bayonet lug. No cleaning rod. C&R.
45. **Unknown Maker Model Underhammer Rifle**. Serial #NSN. .72 caliber underhammer percussion rifle with a 33” barrel, part octagonal and part round. Metal is fair with a mottled silver patina. Stock is average with a crack near the barrel. Brass trim. Action works ok and nipple is intact. Includes the ramrod. Antique Firearm
46. **Unknown Maker Afghan Style Jezail**. Serial #NSN. .65 caliber black powder flintlock rifle. 48” barrel with a rusty bore. Jezails were originally handmade by Afghans during their fight against the British in the 19th century. The finish on all of the metal is poor and heavily rusted and pitted. The crude wooden stock is fair and is decorated with metal studs. Barrel is deformed. The hammer, action and barrel are severely rusted. Antique Firearm.
- R 47A. **Colt Model Civil War Centennial .22 Caliber Short**. Serial # 4288W. First of a matching pair of .22 short RF single shot revolvers with a 6” barrel. Missing trigger. Hammer doesn’t work. Black metal barrel and cylinder are fair with some scratches and corrosion. Metal on frame is very good as are the wooden grips. This is a 7/8th size replica of a Colt 1860 army revolver. Trigger and screw are missing making it inoperable. C&R.
- R 47B. **Colt Model Civil War Centennial .22 Caliber Short**. Serial #4287W. Second of a matching pair of .22 short RF single shot revolvers with a 6” barrel. Metal is in overall good condition. Wooden grips are very good. Action seems to work okay on this one and no parts appear to be missing. This set includes a framed description of the revolvers. C&R.

- R 48. **Thompson Center Arms Model Contender SS.** Serial # S1296. .30-30 break-action pistol with a 10" barrel. Stainless steel barrel and frame. Very good bore and action. Front sight and rear scope rail. Synthetic forearm and rubber grips in good condition. Includes an extra 14" .30-30 "Super 14" barrel with scope rings.
- R 49. **Thompson Center Arms Model Contender.** Serial #423640. .222 Rem break-action pistol. High gloss 10" black barrel and black frame. Excellent bore and action. No sights but has a rear scope rail. Checkered rubber forearm and grips. Includes a 10" .357 magnum barrel with front sight and scope rings.
50. **Thompson Center Arms Model Triumph.** Serial #62759. .50 caliber in-line break-open rifle with a 27½" barrel and excellent bore and action. Synthetic forearm and stock with rubber butt pad are in excellent condition, as is the barrel. Front and rear fiber-optic sights. Scope rings on scope block. Includes swivel studs and the ramrod.
- R 51. **Remington Model 788.** Serial #034703. .30-30 bolt action rifle with a 22" barrel and good bore and action. Wood is good with minor handling marks. Metal is average with scattered light rust. Front ramp sight. Rear sight is missing but barrel is drilled. Also drilled for scope but only a partial scope mount is present. Includes the original magazine. C&R
- R 52. **Sako Model A7 S.** Serial #A84379. .243 Win. bolt action rifle with a 22" barrel. Excellent bore and action. Stainless steel barrel and receiver are in excellent condition. Synthetic stock with rubber butt pad and raised cheek plate in very good condition with minor handling marks. Barrel has no sights and is not drilled for them, but includes a scope mount on the receiver. Thumb safety. Includes swivel studs.
- R 53. **Remington Model Repeating Shotgun.** Serial #U69473. 12-gauge pump action shotgun with a 29 1/2" barrel and average bore. Full choke. Action works okay but needs a cleaning. Metal is fair and what finish remains has turned to a brown patina. Wood is fair with numerous scratches and gouges and appears to have added finish. LOP is 13.75". C&R
- R 54. **Springfield Model 83.** Serial #NSN. .22 RF bolt action single shot rifle with a 24" barrel and a dirty bore that may clean to good. Manual cocking action seems to work OK. Metal is poor with heavy scattered rust. Wood is fair with scratches and finish loss. Adjustable rear sight. Original butt plate. C&R
- R 55. **Remington Model 572.** Serial #1501791. .22 RF pump action rifle with a 23 ½" barrel and dirty bore that should clean to good. Metal is good with some scratches on the barrel. Wood is good with minor scratches. Original butt plate. Tubular magazine. Adjustable rear sight and grooved for scope.

- R 56. **Winchester Model 1906.** Serial #77305. .22 short pump action rifle with a 20" barrel and good bore. Tubular magazine and original butt plate. Front and rear sights. Action works. Metal is fair. Barrel has turned to a patina with scattered rust. Receiver shows edge wear and scratches. Stock and forearm are fair with scratches and heavy finish loss. C&R.
- R 57. **Westley Richards Model Side-by-Side.** Serial #K361. 12-gauge side-by-side shotgun with 29 ½" barrels and good bores. Barrels are choked modified and improved. 2 ¾" chambers. Nicely scrolled receiver and trigger guard with good case coloring. Wooden stock and forearm are good with scratches. Finely checkered pistol grip and forearm. Appears to be original butt plate. Double triggers and extractor. Anson & Deeley action. Made in England. C&R.
- R 58. **Marlin Model 25MN.** Serial #09526093. .22 WMR bolt action rifle with a 22" barrel and dirty bore that should clean to good. Metal is good with some scratches. Action works fine. Wood is very good. Front and rear sights. Includes a Bushnell Sportview scope.
- R 59. **Winchester Model 94.** Serial #2496508. .30-30 lever action rifle with a 20" barrel and good bore. Action works but sticks a little. Metal is average with some scattered rust and scratches. Wood is good with minor scratches and wear. Original butt plate. Hooded front sight and buckhorn rear sight. C&R
60. **Frank Wesson Model Tip-Up Pocket Rifle.** Serial #NSN. .22 RF Tip-up pistol with a 12" barrel which is part round/part octagonal. Trigger is missing and action does not work. Metal and bore are poor with heavy rust. Wooden grips are fair. Missing sights. Antique firearm.
- R 61. **Spanish Model Crucero Revolver.** Serial #32817. 38 long cartridge revolver with a 6-shot swing out cylinder. This is a copy of a S&W Model 1903. Metal is poor with heavy rust. Wooden grips are poor to fair with wear and notches. Action only works in double action. Bore is poor. C&R
- R 62. **Harrington & Richardson Model American Double Action.** Serial #15. .32 6-shot revolver with a 2^{3/8}" barrel and average bore. Action seems to work. Nickel finish is fair with corrosion and appears to have been re-plated. Plastic grips are very good. C&R.
- R 63. **Deutsche Werke Model Ortgies.** Serial #128132. 7.65mm semi-auto pistol with a 3¼" barrel and good bore. Action works fine. Metal is good with light scratches and muzzle wear. Wooden grips are average showing wear and scratches. Action works fine. Pistol is in very good condition for its age. Includes the original magazine and a vintage flap holster. C&R.

- R 64. **Savage Model No.4 MKI***. Serial #36C7766. .303 Brit. bolt action rifle with a 25½” barrel and good bore. Action works fine. Metal and wood have been refinished. Metal is very good with some light scratches. Wood is very good with some old dings. Receiver is marked “US Property” and manufacturer’s name does not appear on the gun. Rear peep sight. Canvas military sling and detachable magazine included along with 2 unwrapped bayonets that may or may not fit. Gun is dated 1942. C&R.
- R 65. **Browning Model Auto-5 Buck Special**. Serial #4M60655. 12-gauge semi auto shotgun with a 24” barrel. Excellent bore and action. Metal is very good showing light edge wear. High gloss wood finish is excellent. Original butt plate. Front and rear sights. Smooth bore. C&R
- R 66. **Long Branch Model No.4 MK1***. Serial #18L5589 .303 Brit. bolt action rifle with a 25¼” barrel and a good bore. Action works fine. Metal and wood have been refinished and are both in very good condition. Rear adjustable peep sight. Swivels. Includes a bayonet and the detachable magazine. Dated 1942. C&R.
- R 67. **Fazakerley Model No.4 MKI(F)**. Serial #27727. .303 Brit. bolt action rifle with a 25½” barrel. Good bore and action. Metal and wood have been refinished and are in very good condition.
