- R 15. **Stevens Model 325.** Serial #17592. 12-gauge side-by-side shotgun with 30" barrels. Bores are dirty and may clean up. 3" chambers. Choked full and modified. Bluing is faded but good with light rust on receiver, which has turned to a silver patina. Wood is good and appears to be refinished. Butt plate is cracked. C&R.
- R 16. **Marlin Model 1898.** Serial #108218. 12-gauge pump shotgun with a 28.75" barrel and average bore. Action works. Metal is a brown patina with some spotting and is average. Wood is missing finish and has scratches and is fair to average. Broken butt plate. Choked improved. C&R.
- R 17. **Stoeger Model Zephyr Honker.** Serial #AM137029. Single break 10-gauge goose gun/shotgun with a 36.25" barrel and good bore and action. 3.5" chamber. Raised, ventilated rib. Rubber butt pad. Nicely checkered stock and beavertail forearm. 2 white bead sights. Nicely scrolled silver receiver with some tarnish. Metal shows fading but is general good. Made in Spain.
- R 18. **Stevens Model 53B.** Serial #NSN. .22RF bolt action rifle with a 24" barrel and good bore and action. Metal is fair with considerable surface rust and wood is average with dings, scratches and finish loss. Contrasting forearm tip. Adjustable rear sight and front blade sight. C&R.
- R 19. **Marlin Glenfield Model 25.** Serial #27464376. .22RF bolt action rifle with a 22" barrel and good bore and action. Wood and metal are both good to very good with light wear. Adjustable rear sight and front blade sight. Includes a Bushnell Sharpshooter 3-9x32 scope and swivels.
- R 20. **E.K. Tryon Model Keystone.** Serial #5505K. .22RF pump rifle with a 24" octagonal barrel and good bore and action. These guns were made in Philadelphia. Metal has turned to a brown patina but is generally average to good with light surface rust. Wood is average with some scratches and finish loss. Original metal butt plate. Adjustable rear and blade front sights. C&R.

- R 21. **Browning Model BLR Japan.** Serial #01291RP127. .243 caliber lever action rifle with a 20" barrel and very good bore and action. Polished metal finish has scattered rust. High gloss wood finish is average with many scratches and dings, especially on forearm. Adjustable rear sight and blade front sight. Scope mounts and swivel studs. Made in Japan for Browning by Miroku.
- R 22. **Carcano Model 1891/41.** Serial #QL6278. 6.5mm bolt action rifle with a 27.25" barrel and good bore and action. Metal and wood have been refinished and are in good+ condition. Straight bolt. Adjustable rear sight from 300-1000 meters. It is missing the detachable magazine but has the cleaning rod and a leather sling. C&R.
- R 23. **Mossberg Model 185K-A.** Serial #NSN. 20-gauge bolt action shotgun with a 24" barrel and good bore and action. Barrel is ported and has a C-Lect-Choke installed. Metal and wood are both good with light fading and scratches. Rubber butt pad with LOP of 14". C&R.
- R 24. **Ruger Model 10/22.** Serial #128-48021. .22 semi auto carbine rifle with an 18.5" barrel and very good bore and action. Metal and wood are both very good to excellent showing little wear. Flip-up rear sight and front blade sight as well as scope mounts.
- R 25. **Ruger Model Mark I.** Serial #11-85032. .22RF semi auto pistol with a 6.75" barrel and good bore and action. Adjustable rear sight and front blade sight. Metal is good but is fading and shows wear at the muzzle, etc. Checkered wooden grips are average to good with a thumb rest, showing wear and finish loss. Includes 2 magazines.
- R 26. **Savage Model 430.** Serial #NSN. 12 gauge over under shotgun with 28" barrels and very good bores choked modified and improved. 3" chambers. Rubber butt pad added. Double triggers and extractor. Checkered wood is good and has been refinished. Metal is good but is fading. C&R.
- R 27. **William Moore & Co Model SXS Underlever.** Serial #NSN. 12-gauge double break side-by-side shotgun with 30" barrels and decent bores. 3" chambers. Barrels are marked "London Laminated Steel". Choked modified and improved. Missing one firing pin. Wood is average and the stock has been repaired. Forearm is missing insert. Metal has been cleaned and is a silver brown patina and in good condition. Double triggers and external hammers. C&R
- R 28. **Browning Model FN High Power.** Serial #L10763. .303 H&H bolt action rifle made in Belgium. 24" barrel with excellent bore and action. Checkered Monte Carlo stock in good condition with rubber butt pad. Metal is excellent. Hooded front sight. Rear sight has been removed. Includes a Weatherby Variable 2.75 – 10x40 scope and swivel studs.
- R 29. **Riverside Model SxS.** Serial #X55001. 12-gauge side-by-side shotgun with 28" barrels both choked modified. Decent bores. Double triggers and extractor. Original butt plate. Wood is good and may have had finish added. Metal is average with fading, wear and some spotting. Action works. C&R.
- R 30. **William Moore and Co. Model SxS Hammered.** Serial #2188. 12-gauge side-by-side hammered shotgun with 30" barrels and fair bores. Barrels are marked "Laminated steel". Action works. Original butt plate and pistol grip cap. Wood had been refinished and is in fair condition with chips and gouges. Metal is a brown patina in average condition. Double triggers and extractor. Some play in barrels. C&R.
- R 31. **Mossberg. Model 346KC.** Serial #214298. .22 RF bolt action rifle with a 24" barrel and good bore. Action works. Tubular magazine. Wood is good with raised cheek plate. Metal is good but is beginning to turn to a patina. Adjustable rear sight. Includes swivels.
- R 32. **Palmetto Model 11.** Serial #768. 12-gauge single break with a 30" barrel and average bore. Choked modified. Action works but is stiff. Wood has been refinished and is average with cracks and chips in the stock. Metal is average with a spotted silver patina. Original butt plate has a chip out of it. C&R.

- R 33. **Smith & Wesson Model SD9 VE.** Serial #HED3945. 9mm semi auto pistol with a 4" barrel. Excellent bore and action. Stainless steel slide in good condition with some staining on top. Black synthetic frame is in good condition. 3 dot sights. Includes 2 magazines, a lock, paperwork and original factory box.
- R 34. **Remington Model 522 Viper.** Serial #3182448. .22 RF semi auto rifle with a 20" barrel and a dirty but good bore. Adjustable rear ramp sight and front blade sight. Black synthetic stock is in good condition with minor wear. Metal is average with some rust and scratches. Action works OK. Includes a Simmons 4x32 scope and a 10-round detachable magazine.
- R 35. **Winchester Model 24.** Serial #35513. 12-gauge side-by-side shotgun with 30" barrels choked modified and improved. 3" chambers. Wood appears to have been refinished and is in very good condition. Original butt plate. Receiver shows significant finish loss. Barrels are good with light fading. Double triggers and extractors. C&R.
- R 36. **Remington Arms Model 1889.** Serial #32528. 10-gauge side-by-side shotgun with external hammers, 30" barrels with very dirty bores. Wood appears to have been refinished and is in good to very good condition. Metal is average and has turned to a brown patina. Action works. Original butt plate. Double triggers and extractor. C&R.
37. **Unknown Maker Model Percussion Side-by-Side.** Serial #NSN. 10-gauge side-by-side percussion shotgun with 29" barrels with rusty bores. Action works. Metal is fair having lost most of its finish. Nicely scrolled receiver and trigger guard. Wood has been refinished and is in good condition with a repaired crack near the trigger. Missing the butt plate and ramrod.
- R 38. **Remington Model Sportsman 12 Magnum.** Serial #W270568M. 12-gauge pump action shotgun with a 28" barrel and good bore. Choked modified with 3" chamber. Raised ventilated rib. Metal is average with scratches and light rust. Wood is average with nicks and scratches and appears to have had finish added. Rubber butt pad. LOP is 13.75". Action works but is a little stiff.
- R 39. **Lefever Arms Model Nitro Special.** Serial #103014. 12-gauge side-by-side shotgun with 30" barrels and good bores. Choked improved and modified. 3" chambers. Action works but is a little stiff. Wood is good and appears to have been refinished. Metal is average with finish loss on the receiver and light rust and wear on the barrels. Rubber butt pad has been added. Double triggers and extractor. C&R.
- R 40. **Remington Model 788.** Serial #037201. .30-30 bolt action rifle with a 22" barrel and very good bore. Adjustable rear sight and front blade sight. Wood is good with light scratches. Metal is good with light scratches and some wear. There seems to be a problem with the action and gun does not fire. Included a Leupold 2x7 scope on see-through mounts and a leather sling.
- R 41. **Remington Model Wingmaster 870.** Serial #877207W. 16-gauge pump shotgun with a 28" barrel and good bore. Choked modified with 2.75" chamber. Action works fine. Wood is very good with one or two light scratches. Original butt plate and pistol grip cap. Metal is poor with heavy rust spots. LOP is 14".
- R 42. **Savage Model 101.** Serial #11419. .22 RF single shot pistol that looks like a revolver. Swing-out cylinder and barrel for loading. Single action appears to work OK. Bore is good. Metal is fair with considerable finish loss on barrel. Wooded grips have had finish added and are average. 4.5" barrel. Front and rear fixed sights. Includes a leather holster and belt. C&R.
- R 43. **Ruger Model Single 6 Magnum.** Serial #336231. .22 RF/.22 mag revolver with a 6.5" barrel and good bore. This is the old style 3 screw model. Action works fine. Metal is average with rust and wear. Wooden grips are average with scratches and dings. Includes a nice Lawrence holster and belt. C&R.

- R 44. **Ruger Model New Model Blackhawk.** Serial #33-68423. .357 magnum single action revolver with a 6.5” barrel and very good bore. Adjustable rear sight with front blade sight. Action works fine. Metal and wooden grips are both in good condition with minor wear. Includes a leather holster, belt and paperwork.
- R. 45. **Mossberg Model Brownie.** Serial #12989. 22 RF 4-shot break open pistol with 2.5” barrels and poor bores. Gun is broken and missing parts including the grips. Finish is poor. Action does not work and gun cannot be fired. C&R.
46. **H. Gibbs Model Flint Lock Fowling Piece.** Serial #NSN. 28-gauge flint lock fowling piece with a 44” barrel and rusty bore. Action works. Manufacturer’s name and “Lancaster, PA’ on top of barrel. No distinguishable writing on the lock. Barrel is part octagonal, part round. Brass trigger guard and trim.
